PARKER'S CHANCES

Seem to Be Very Bright For Success.

Can Only Be Defeated by an Organized Combination.

New York, June 29.--With the St. Louis convention less than a week off, statisticians are busy, most of them giving Parker the best of it. All agree that there are many doubtful States and that the votes from these States would be sufficient to determine the result, but the Parker men find much comfort in their figuring.

They claim 518 on the first ballot, and were willing to concede Hearst only 209. Not counting Puerto Rico, the admission of whose delegation is uncertain, it takes 664 to nominate.

There are 288 delegates instructed for Parker, but his strength is by no means indicated by this figure, as in many of the Southern States where it is not customary to instruct, there is a strong Parker sentiment. This is admitted even by the Hearst forces.

The full vote for 994 delegates is accounted for as follows:

Recapitulation.

MRS. HOWARD STOWE

Succumbs to Consumption After Long Illness.

Mrs. Mary Manson Stowe, wife of Mr. G. Howard Stowe, of Julien, died at her home in the county Wednesday midnight. She had been sick for a year or more with tuberculosis. Last August, in the hope of escaping the disease, she spent two months in the mountains of Colorado and from there went to El Paso, Tex., where she spent the winter. She returned home early in May hopelessly ill, and quietly awaited the end.

Mrs. Stowe was about 30 years of age. She was married three and a half years ago, being Mr. Stowe's second wife. She was formerly Miss Mary Manson, of Clarksville, and was a young woman of most estimable character, possessing many lovable qualities of mind and heart that endeared her to all who knew her. She was a member of the Methodist church. The funeral services will be held this morning at the family residence at 9 o'clock, and the interment will be in the family burying grounds near by.

TEN DAYS' MEETING

At Carvoso Camp Grounds Will Commence Aug. 11.

The campmeeting at Carvoso camp grounds, in Todd county, will commence August 11 and continue ten days. The meeting will be conducted by the Rev. J. O. McClurkan, of Nashville, and other workers. Several from this city and county will attend.

Taylor-Barker.

Mrs. Sadie D. Jesup, widow of the late Barker Jesup, and Mr. Hancock Taylor, Jr., of Louisville, were married in the latter city last Saturday. Mrs. Jesup resides in this city, on South Virginia street, but it is presumed she and her husband will make their future home in Louisville.

LOCALS LOST

Two Games and Took One Here This Week.

Rank Decisions Largely Responsible For The Result Of The Games With Henderson.

The local team put up a fine article of ball here with Henderson this week, but lost two of the series of three games. The result was due largely to numerous rank decisions by Umpire Shuster against the locals. The first game, played Monday, resulted in a score of 9 to 1 in favor of Henderson. This was a good game up to the fifth inning, the score at that stage being 3 to 1 in favor of the visitors.

In the last half of the fifth Welch hit the ball to left field and a foot or more inside the foul line. The bases were all full and the hit was good for three and maybe four scores for Hopkinsville, but the Umpire called it a foul and all the men were sent back.

This and other decisions of the same kind, knocked all interest out of the game.

Tuesday's game was won by Henderson by the score of 4 to 1. The contest up to the ninth inning, was one of the most interesting ever witnessed on the local diamond. Hopkinsville scored one in the second inning, while Henderson failed to land a man across the home plate until the ninth, when they made four scores.

Bomar pitched for the locals and for the first six innings the Hens were unable to get a hit off him. He pitched a fine game through and Hopkinsville should have won.

The game Wednesday was a good exhibition of ball playing and the contest was won by Hopkinsville, the score being 7 to 4 in favor of the locals. In the first four innings Henderson failed to score, but in the fifth they made one run. In the sixth, seventh and eighth they got only goose eggs, but in the ninth they succeeded in getting three men across the plate. Hopkinsville made a run in the first, one in the second and four in the third. The locals made another score in the eighth, thus footing up seven, while the visitors only had four runs to their credit. As Henderson was first at the bat in the opening of the game the last half of the ninth inning was not played.

Morris pitched for the locals and put up an excellent game. In the third inning with one man on base, Morris knocked the ball over the right field fence making a home run. Hopkinsville made eleven hits and only two errors, while Henderson got only seven hits and made three errors.

Monday's game at Paducah between the Paddies and Cairoites was a ten-inning contest. Cairo won, the score being 7 to 5. The game scheduled for Monday at Clarksville between Vincennes and the Tennesseans was postponed on account of rain.

Rain again Tuesday prevented the contest at Clarksville. At Paducah Tuesday Cairo lost to Paducah, the score being 6 to 5.

Wednesday--at Clarksville a double-header was played between the Tennesseans and Vincennes. The Indians lost both games. The score in the first contest was 2 to 1, and in the second 6 to 1.

The game at Paducah Wednesday was lost to Cairo by the score of 4 to 3.

The Hopkinsville team went to Vincennes Wednesday night and the first game of a series of three, at that place was played yesterday. The games scheduled here for July 3, 4 and 5 between the locals and Egyptians have been transferred to Cairo, with a double-header Monday. The next series to be pulled off here will be between Paducah and Hopkinsville, July 6, 7 and 8. Piepho has been elected captain

INDICTED IN HASTE.

Unusual Action Taken In The Trial of L. W. Holland.

Grand Jury Offers True Bill Previously Prepared--Case Continued.

Benton, Ky., June 28.--A sensation has developed in the case of Sheriff L. Walter Holland, for killing Hardy Keys at Murray, and which was sent on a change of venue to this county and called in the Circuit Court yesterday afternoon before Special Judge Eli H. Brown, of Owensboro. Unusual developments of last evening were followed by almost equally interesting proceedings today.

In the court yesterday afternoon the prosecution sprung a surprise by moving to dismiss the Calloway indictment, charging Holland with manslaughter, and to submit the case to the Marshall county grand jury then in session. The defense objected but Special Judge Brown sustained the prosecution's motion and the Cook indictment was dismissed. The case was given to the grand jury and after it retired the defense moved to dismiss the present grand jury and empanel a new one. While the motion was being made and within two or three minutes after the grand jury retired, that body returned with a new indictment charging Holland with wilful murder.

Such quick action was a surprise to the defending lawyers, but they soon had information that the new indictment was practically found as the result of hearing witnesses last Thursday, before the trial began, and was written and signed before the manslaughter indictment was dismissed.

The defense promptly objected to the indictment and insisted on a new grand jury. Judge Brown overruled the defense and adjourned court until this morning.

After court opened today he asked the lawyers if they were ready for trial. The prosecution announced ready, but the defense moved to dismiss the new indictment on the ground that the proceedings were irregular in the extreme. This motion was overruled and Holland's lawyers then asked for a continuance and it was granted until the fourth Monday in September.

The prosecution argued against the motion for a continuance, trying to force the defendant into trial, but strong and sufficient reasons were set up for a continuance.

Of twenty-five candidates for entrance to the Naval Academy at Annapolis, only eleven were able to pass the physical examination, after successfully meeting the mental requirements.
